Hi Jeremy,

Does the email you were cc'd on from Jennifer Okes answer your questions? Jennifer, Kady, Jhon, and Katy met this morning to talk through these issues so they have a much better idea of what our messaging is going to be. Let me know if you need something more specific.

Thanks,
Melissa

Hi Melissa,

Do you know the answers to the questions from the Pueblo Chieftain about strikes?

Or do you know who would know these?

Thanks!

Hi Jeremy

I have a few questions related to a proposed teachers strike in Pueblo .

If the strike continues for several days, wouldn't that require make up days at some point in order to fulfill the required student contact days?

Could a strike lasting several days, or even a week, potentially affect graduation ceremonies in June? I would imagine that seniors would have to have a certain amount of hours in pocket before they can get the diploma.

As always, thanks for the help

Jon Pompia, Pueblo Chieftain
